

HELPFUL LINKS POLICY FOR THE ECCLC WEBSITE

The Early Childhood Council maintains a helpful links page on our website as a courtesy to organizations and individuals in Larimer County to share resources pertinent to early childhood.

In order to make this page easy to navigate, ECCLC limits the number of links and only includes key local, state and nationally recognized resources.

GUIDELINES FOR LINKS TO BE ADDED

Adding additional hyperlinks is at the discretion of the ECCLC. We limit the number of links to those resources which we determine to be most helpful to our local community.
