

# NURTURING THE HIGHLY SENSITIVE CHILD

Toxic stress makes any child vulnerable – but some are especially at risk. Participants will learn how to capably asses the level and type of a child' sensitivity and help him/her adjust to, and manage, their world.

**When: March 12, 2019**

**6:30 - 8:30 p.m.**

**Where: 2850 McClelland Dr.,  
Suite 3400  
Fort Collins, CO**
