

Exploring Community Perspectives: Early Identification of Autism

An informative panelist discussion to share resources, opportunities, and experiences in Larimer County.

Tuesday, April 23, 2019
6:00-7:30pm

Where: Foothills Gateway
301 W. Skyway Dr. 80525

RSVP: To Etta Schwirtz at
ettas@foothillsgateway.org
970-682-0115

This free community event is geared toward:

- Parents
- Early Interventionists
- Early Childhood Teachers
- Community members wanting to further their knowledge about early signs for Autism.

Join us for an evening of panelist conversation. Our panel, consisting of a parent and professionals involved with early identification, will discuss their perspectives on supporting young children showing signs of Autism Spectrum Disorder.
