

# Cultural Relevance & Toxic Stress in Infancy & Early Childhood (IEC)

A training for early education/intervention providers working with children of color in Larimer County

**The Early Childhood Council of Larimer County**

**Saturday**

**June 8, 2019**

**or**

**June 22, 2019**

*All trainings will be conducted in Spanish with simultaneous interpretation to English*

**9:00 am - 12:30 pm**

**2850 McClelland Dr., Fort Collins 80525**

Designed to build capacity for working with vulnerable families, this workshop introduces key concepts for better understanding how toxic stress differentially impacts children of color in our community. Offered in Spanish & English, the training also presents innovative approaches to mitigating the impact of toxic stress through culturally relevant models of early education/intervention. There is no charge to attend, but space is limited.
