ABOUT TAYLOR

Taylor joined the Early Childhood Council team in January of 2020 as an Early Childhood Coach. She has a Bachelor's degree in Human Development and Family Studies from Colorado State University.

In addition to her degree, she has years of experience as an early childhood educator and as an Assistant Director. Through her work in early childhood so far, she has found her passion and is so grateful to be in such an amazing field. She hopes to continue positively impacting educators, children, and their families within our community.

Taylor is originally from a small town in Maryland, but has lived in Colorado for over 10 years and this is home. She loves Fort Collins and all that it has to offer. Her favorite pastimes are being outdoors, traveling, cooking, and spending time with her family, friends, and two dogs.
