ABOUT KARLY

Karly joined the Council in June 2021 as the Administrative Assistant and was promoted to Early Care & Education Program Associate in January 2022. She was born and raised in Boulder and moved to Fort Collins to attend Colorado State University, where she studied Human Development and Family Studies and minored in German.

Prior to joining the Early Childhood Council of Larimer County, Karly worked and interned with children and adolescents with developmental disabilities in therapeutic and daycare settings. She gained experience as a case manager connecting individuals of all ages to developmental disability services.

Outside of work, Karly enjoys spending time with her boyfriend Ivan, her dog Thiago, and her two cats Monty and Cece. Karly also loves listening to and playing music, playing with her toddler nephew, and getting outside to run and hike.
