ABOUT TESSA

Tessa joined the Council in January of 2022 as the Communications and Development Program Associate. She was born and raised in St. Charles, Minnesota and moved to Duluth to attend the University of Minnesota-Duluth where she studied Communication Sciences and Disorders and minored in American Sign Language. Tessa has also completed her Master of Public Health, with an emphasis in maternal and child health, from the University of Minnesota Twin-Cities.

Prior to joining ECCLC, Tessa worked with the YMCA as a youth specialist, as well as with children and adolescents with developmental disabilities in home and day camp settings. She also has 10 years experience working with children ages 0-10 as a nanny and childcare provider.

Outside of work, Tessa enjoys reading, cooking, traveling and spending time with her friends and family. Still being fairly new to Colorado, she is excited to venture out, hike and explore the area more.
