Creating Dynamic Outdoor Spaces for Young Children: Supporting Implementation

In this 3-hour hands-on training, you will learn how to assess and analyze an outdoor space, be able to identify best practices in outdoor learning environments and begin to reimagine the outdoors into a dynamic, flexible and natural environment that engages children. The tools and experiences from this training will allow you to support child care programs in various settings and help ensure young children have access to high quality outdoor learning environments

**SATURDAY
December**

8

9:00 A.M. - 12:00 P.M.

**Early Childhood Council
of Larimer County**

2850 McClelland Dr. #3400
Fort Collins, CO 80525
