970-377-3388 ext. 200 anay@ecclc.org

Annie joined the ECCLC in July 2019 as the Child Care Support Specialist. Prior to joining, Annie worked several jobs throughout her time in high school, including a trail-building crew that did work all over Larimer County.

Born and raised in Fort Collins, Annie is currently attending CSU and working on her Bachelor's in Forest and Rangeland Stewardship, with the hopes of encouraging sustainable outdoor recreation! When she isn't working or in school, she enjoys mountain biking, spending time in Old Town, and re-watching New Girl.
