

Summer Childcare and Camp Options in Fort Collins for Ages 5+

Updated 5/26/20

Reference Only. Please contact the program directly for current information.

City of Fort Collins

Recreation Department

Camp FunQuest

From June 1 – July 17, all Camp FunQuest programs will be held at Riffenburgh Elementary School in Fort Collins. Camp programs will run from 8am-5pm., Monday through Friday, with all activities taking place on-site at Riffenburgh, or in nearby Edora Park. Location will move in mid-July until the programs conclude on August 14. Until restrictions are lifted, there will be no transportation or off-site field trips. Ages 5-15. Current program availability is limited and additional registration slots will be posted as they become available.

Boys & Girls Clubs of Larimer County

2020 Summer Program

The Boys & Girls Clubs of Larimer County will be hosting a comprehensive in-person summer program in Fort Collins, Loveland, Estes Park and Wellington. This summer program is for youth ages 6-12 years old and will operate Monday through Friday from 8:00am-5:30pm starting on June 3 and concluding on July 24. Snacks and meals will be provided and daily programs and activities will range within the categories of:

- Health, nutrition and wellness
- Social recreation
- Sports
- Art (performing & non-performing)
- Education & STEM
- Character and leadership development
- Technology

Due to COVID-19, this summer's program will look different from previous years in a number of ways. All CDC safety protocols will be followed, including social distancing recommendations with no more than 10 kids in one room with one staff member. Cleaning and disinfecting hard surfaces will occur many times a day, and hand washing will be required throughout the day. To learn more about this program go to begreatlarimer.org. Spots are Limited.

Summer at CSU - K-12 Programs

Summer programs for kindergarten through high school students include credit-bearing, academic, and sport programs. Teachers may explore sustainable teaching and the benefits of movement in the classroom. These programs are offered by many CSU departments and organizations hosting events at Colorado State University.

Academic & Experiential Camps & Programs: currently accepting registrations for some options. Many of the June programs cancelled and some cancelled for the full summer. Several programs anticipate opening in July-August, others are moving to online only format.

These programs are presented by departments at CSU, as well as organizations providing summer camps through CSU Conference Services. Many programs include common elements such as leadership and creativity. Age groups vary by program.

Youth Sports Camps: currently accepting registrations. Anticipate opening in mid-June. Programs run through mid-August. <https://www.chhs.colostate.edu/hes-youth-sport-camps>

RAMS Sports Camps: not currently accepting registrations. Considering offering day camp options with the athletics program in July. <https://www.csuramcamps.com/>

Private & Faith-Based Summer Camps

A variety of privately operated summer camps are available in northern Colorado. This list is not exhaustive and provides only a few options. Availability and registration requirements vary.
