## ABOUT HEATHER

Heather joined ECCLC in July of 2019. Originally from Sonoma County, California, Heather moved to Colorado in 1996. Her professional career has included teaching elementary school as well as corporate training and development. But it was working as a Lead Teacher in a preschool for nine years that cemented her love for early childhood education. She feels very grateful to be working in such a rewarding field that makes an important impact on our future.

Heather has her Bachelor of Science in Human Development from UC Davis and her Master of Arts in Early Childhood Education from CU Denver. Heather is also an adjunct instructor at Front Range Community College.

Outside of work, Heather's favorite thing to do is spend time with her husband Ruben and daughter Sofi. Some other favorite activities include being with friends, camping, kayaking, listening to podcasts, playing tennis, making jewelry, and going to see live music. Travel is a favorite pastime. From road trips to international travel, she loves it all. Her favorite place is wherever she hasn't been!
