Registration is open to infant/toddler educators and providers across Colorado. Priority will be given to Larimer providers, people in communities that don't have any EQ teams, and any family child care home providers.

Early Childhood Council of Larimer County (ECCLC) is an independent nonprofit organization that rallies support, resources, and awareness to ensure every young child in our community has quality early childhood experiences so they thrive from day one.

Learn more at ecclc.org.

Funding for this class is provided by the Colorado Department of Human Services through collaboration with the Expanding Quality in Infant Toddler Care Initiative.
