

Melia Goto

UNIVERSAL PRE-K ASSOCIATE
MGOTO@ECCLC.ORG

ABOUT MELIA

Melia joined the council in March of 2023 as the UPK Associate. She is from Highlands Ranch, Colorado but spent some time living in Vancouver, Canada, which she considers home. She received her Bachelor's degree in Sociology with a minor in Criminal Justice from Colorado State University and has enjoyed living in Fort Collins for the last six years.

Before joining the ECCLC, Melia worked as a Production Assistant making local jewelry. She also has experience working in childcare and is excited to use her passion for helping others to assist families and providers in navigating the UPK program.

When not at work you can find Melia watching reality TV with her cats Bubba and Lily, laying on the bank of Horsetooth Reservoir, or on the dance floor with her friends. Melia also loves trying new local restaurants and breweries with her boyfriend Caden and attending comedy shows.
