ABOUT MARIBEL

Maribel joined the council in October of 2022 as the Early Childhood Program Associate. She has lived in Fort Collins, Colorado for most of her life and has been studying early childhood education for three years, while also working in the field for the last five years.

Prior to joining ECCLC, Maribel worked as an assistant director at a local child care center in Fort Collins. While working there, she gained experience teaching in infant and toddler classrooms. On top of her extensive early childhood knowledge, Maribel is also a Certified Nursing Assistant.

Outside of work Maribel enjoys spending time with her husband, family and dog Pecan. She enjoys traveling, shopping and taking long drives. She also looks forward to the winters so she can build igloos and play in the snow!
