ABOUT LOGAN

Logan joined ECCLC in 2015 as a QI Navigator, and now serves as an Early Childhood Coach. She has a Bachelor of Science in Food Science and Human Nutrition and a Master's in Public Health with a focus on Community Health Education.

Logan previously worked in nutrition education with families through WIC for Tri-County. Logan currently works as a coach with many of our local Family Child Care Home Providers, supporting them through quality improvement efforts, ratings, and social emotional education. Logan also serves on numerous state and local task forces around infants and toddlers, child care regulations, and community connections.

Logan is passionate about equity and systemic changes within the early childhood landscape. Logan is a native of Arizona, but has called Colorado home for the last 20 years. Outside of work, Logan enjoys baking, cycling, running, camping, reading, and spending time outdoors with her husband and children.
